BEE WELL EARTH & HONEY RENEWAL

An experience that begins with red Arizona montmorillonite clay and micro pumice that covers skin and finely exfoliates the surface. Next, a mud nutrient mask with bioactive organic plant matter and minerals rapidly brings cool relief to skin irritations. Hydration is then sealed in with raw honey, aloe, and papaya serum. Finally, an Agave Nectar Oil massage leaves the skin fully moisturized.

BANANAS FOSTER

This firming and hydrating treatment starts by softening the skin with a sea salt scrub. A banana & turmeric extract blend helps reduce the look of fine lines. Arms and legs are then wrapped into a warm vitamin E-rich compress. Ending with light effleurage strokes to relieve tension, along with hints of warm Madagascar vanilla and Texas distilled bourbon.

SEAWEED DETOX

Seaweed is extraordinarily rich in minerals, phytonutrients and vitamins. This deeply relaxing treatment uses warm seaweed in serums and clay to cleanse and detoxify, disperse fatty deposits, tone skin and restore elasticity. Amino acids and trace elements in the seaweed promotes healing and skin rejuvenation.
